"I was diagnosed with 'IBS' by the doctor and I feel this is an extremely ambiguous and lazy term given by doctors."

"I can't refer to its nature because there've been no charges filed," says Stallard.

"I had been wondering if your web host is ok? Not that I'm complaining, but sluggish loading instances."

In 1989 and 1992, Pfister served as a judge for four helicopter championships, three national and one international.
